Klinedinst PC to Offer Initial Complimentary Legal Ethics Consultations

AHERN Insurance Brokerage is an industry leader in providing customized insurance solutions for law firms. On top of supplying extraordinary services to its clients, AHERN continuously looks for additional opportunities to add value to its clients' practices.

AHERN has arranged for Klinedinst PC – a leader in the area of ethics, risk management, and the law of lawyering – to provide up to 30 minutes of free legal ethics consultation to its attorney and law firm clients in California, following a conflict of interest check. Klinedinst PC has offices in San Diego, Orange County, Los Angeles, Sacramento, and Seattle.

The attorneys at Klinedinst have decades of experience in advising a wide range of practitioners, from solo and small firms to the largest law firms in the world. The members of the firm's Legal Ethics and Law Firm Risk Management Team have a deep understanding of the challenges facing the profession and provide succinct, to-the-point guidance on these professional standards. Heather L. Rosing, Chair of the Team, serves as a legal advisor to the Rules Revision Commission of the State Bar of California, which is assisting in rewriting the Rules of Professional Conduct. Dave Majchrzak, Senior Counsel with the firm, is the Chair of the San Diego County Bar Association's Legal Ethics Committee, and formerly served on the State Bar's Standing Committee on Professional Responsibility and Conduct.

No one understands better that ethics issues often arise on a moment's notice and need to be dealt with promptly. Klinedinst has developed a reputation for its quick response to its professional clients.

AHERN is very excited to offer this valuable resource to its attorney and law firm clients in California.
