

PERSONAL INSURANCE SOLUTIONS

AHERN | INSURANCE BROKERAGE

You may already be familiar with **AHERN Insurance Brokerage** as an industry leader in providing property and casualty insurance solutions to law firms and businesses nationwide. However, did you know that AHERN can also assist you with your personal insurance needs?

It is a sound idea to regularly conduct an insurance "check-up" by asking yourself one simple question - **What are the things that matter the most to you?** Your family? Your home? Your current and future assets? Getting insurance to cover your personal risks can protect you and your family from financial hardship if the unexpected happens. It will also provide you with peace of mind.

Below is a list of our current personal insurance product offerings. All that I will require to provide a quote is a copy of your current declarations page, which can be emailed to me at: sgorsica@aherninsurance.com

I look forward to hearing from you and answering any questions you may have!
